

Pacific Northwest CSA Coalition Board Member and Treasurer Description

The Pacific Northwest Community Supported Agriculture Coalition (PNWCSA) seeks board members who are passionate about the organization's vision: to create a community where everyone eats local food, farmers thrive, and CSA is a household name.

PNWCSA is a 501c3 nonprofit organization serving growers and eaters in Oregon and SW Washington. We are a coalition of local CSA farmers, ranchers, and fishers who are dedicated to sustainable agricultural practices, building community, and boosting the economic viability of small-scale producers. Our members provide more than 12,000 Oregon and Southwest Washington area households with vegetables, fruits, meat, dairy, grains, flowers, and other locally-grown products. Our main programs include:

- Providing consumer education and promoting awareness about CSA
- Connecting farmers with their community to form a resilient membership base
- Providing opportunities for farmer education, mentoring, and networking
- Increasing affordability of CSA through SNAP and Double Up Food Bucks (DUFB) programs

The key to serving our mission of providing access to good food for all is to be inclusive to those marginalized in our food system. We encourage people of color, women, LGBTQ+ people, religious minorities, recent immigrants, differently-abled persons and applicants from diverse generational, economic, and educational backgrounds to join our staff and our board.

The Treasurer is a member of PNWCSA's Executive Leadership team.
